

Quality Policy Statement

Quality Policy Statement

EDP Environmental is fully certified under the Pass 99 accreditation for ISO9001, OHSAS18001 & ISO14001.

This quality policy provides a framework for the setting and review of objectives in addition to our commitment to satisfy applicable customers', regulatory and legislative requirements as well as our commitment to continually improve our management system.

Customer focus: As an organisation we have made a commitment to understand our current and future customers' needs; meet their requirements and strive to reach their expectations.

Leadership: Our Top Management have committed to creating and maintaining a working environment in which people become fully involved in achieving our objectives.

Engagement of people: As an organisation we recognise that people are the essence of any good business and that their full involvement enables their abilities to be used for our benefit.

Process approach: As an organisation we understand that a desired result is achieved more efficiently when activities and related resources are managed as a process or series of interconnected processes.

Improvement: We have committed to achieving continual improvement across all aspects of our quality management system; it is one of our main annual objectives.

Evidence-based decision making: As an organisation we have committed to only make decisions relating to our QMS following an analysis of relevant data and information.

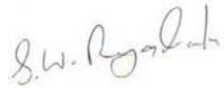

Relationship management: EDP Environmental recognises that an organisation and the relationship it has with its external providers are interdependent and a mutually beneficial relationship enhances the ability of both to create value.

Our policy is also to meet the requirements of other interested parties and in meeting our social, environmental, charitable, regulatory and legislative responsibilities. We have produced quality objectives which relate to this policy and they can be found in document EDP/1/011 Quality Objectives.

Quality Policy Statement

This policy statement is part the Company's organisation of responsibility and the arrangements for implementing the strategy for Health and Safety management. The system complies with ISO 9001:2015 and PAS 99:2012. From this system, improvement objectives are generated. This policy is communicated to all interested parties as well as being made available to the wider community through publication on our Website, Company Noticeboard and Intranet.
